## Level 2 coaches

Congratulations to Justin Carpenter and Steve Ratcliffe who have both recently qualified as level 2 coaches. Justin has also just been awarded Sheffield & Hallamshire coach of the year. This is a fantastic achievement by him and is just rewards for all the hard work he carries out on behalf of the club.

### Craig Hall Memorial

A 6-a-side tournament is to be held for parents at the Aurora on May Day to raise funds for the Craig Hall Memorial. Cost is £25 per team with a maximum of 10 players in each team. Each team can only have a maximum of 2 players under 25 years of age. For further details contact Andy Hinchcliffe on 07932646579.

### Club Positions 2010/11

Due to other commitments I will be stepping down as publicity officer next season. Anyone interested in undertaking this position then please inform a club representative before the AGM. Anyone requiring further details regarding this post then please contact Mick Bell on 01709 369982.

Also due to other commitments, Lee Cardwell, (Whitehill U12's), and Mark Walshaw, (Whitehill U13's), are resigning their positions as manager. Both sections are looking for a new manager next season.

Interested parties should contact Ian Walker as soon as possible. BWJFC would like to thank Lee and Mark for all their efforts whilst running the teams.

Unfortunately, due to a lack of players through various reasons Brinsworth Juniors U16's have folded with just 4 games left to play this season. Once again, BWJFC would like to thank Dennis Millington and Paul Upstone who have worked tremendously over the years running this section in difficult circumstances. Both had the club principles at heart, in providing football for all, whatever the abilities of the players and are to be commended for this.
