*There have been complaints made by parents that cars are speeding around the perimeter of the pitches at Outokumpu. Although this is not entirely down to people connected with BWJFC, we would*

*like to remind everyone that the maximum speed limit is **5MPH** and it is a **ONE WAY SYSTEM**. Please adhere to these rules. The ladies netball section have been contacted with the same message passed on to them.*

## RUFC Training

*The recent training sessions held with RUFC proved very successful for all involved with both managers and players gaining from the experience. In the near future we hope to carry out something similar with the girls teams.*
