*Congratulations to Howard Webb our Honorary vice president who has been selected to referee at the World Cup Finals in South Africa.*

## FINANCE

So far this season we have paid out £12,000 on training and pitches, £13,500 on kit and equipment and £2000 on referees and coaching, £1300 on insurance and £2,300 on the monthly draw.

Trophies for the presentation evenings have been ordered and will cost around £5000.

These are all the basic costs of running the team. We have taken £20,000 on Subscriptions and Membership. As you can see the figures don't add up which is why fundraising through various events and sponsorship is important.

Please note that the final payment for subs and membership is due at the end of February.
