### PHOENIX

The new car park at the Phoenix is now open and it has created an immediate benefit on a Sunday morning, hopefully the next stage is to mark out bays so we can maximize this much needed extra parking facility. Please be considerate when using this space.

Can parents please ensure that before entering the bar area all players remove their football boots and, don't sit on the seats with muddy kit on, thank you.

We are having regular meetings with the Phoenix to discuss our use of the facilities both in the short and long term, and we are confident that we will build up a very good mutually beneficial relationship with them.

## Finance

Please note that the final payment of subscriptions is due by March 6<sup>th</sup>, please ensure that you fulfill your obligations as subscriptions are vital to the well being of the club.

Every sections management are aware of the finance of BWJFC and financial matters are discussed openly at every committee meeting.

So far this season we have had to pay out well over £40000 just to ensure that our players enjoy their games and unfortunately we have not finished paying out yet.

It is vital to the well being of the club that all our fund raising events are well attended, this helps to keep our players subscriptions down to what we believe are the lowest around for many a mile, our fantastic football gala is our big fund raiser and we are looking to have 240 teams to be in attendance over the weekend of June 18<sup>th</sup>, 19<sup>th</sup>, we will require everyone's help to make this event a success.
