## AURORA

*There have been complaints that youth's are going onto the Aurora when their team is not training and interrupting other training sessions and generally causing a nuisance. Some have been identified from the U14's section. Can parents and team managers remind all players that they should only be on the Aurora on their allocated training day / slot*

## Upcoming Social Events

*March 14<sup>th</sup> sees the return of the ever popular Complete Madness. Tickets are priced at £7 each and will be in great demand. Initially each section will be limited to 10 tickets so to avoid disappointment see your team manager and book early!*

## Respect Campaign

*Despite an appeal in the January newsletter, we have again received a summons from Sheffield and Hallamshire regarding spectator behaviour. It is estimated that the club could be fined up to £400 and possibly lose our community/charter standard status. Frankly, it is quite embarrassing that we are having to appeal on*

*a regular basis, for everyone to show opponents, players, spectators and referee's respect. The club could soon be forced to make a decision where all parents from any section reported, are banned from watching the game, a drastic measure, but one that will have to be taken to try and regain our once proud reputation.*

*Referees do make mistakes, the majority are honest and however frustrating it may be, abusing them is not the answer. If a manager deems that a referee's performance is unacceptable, then he should write a letter, through the club secretary, to the appropriate body.*

## BRETT CLARK

It is with great regret that I have to inform you of the death of our Seniors Assistant Manager Brett Clarke from Bowel Cancer Brett was a great guy with a wicked sense of humour that all our players loved and will miss so much.

Even after his diagnosis he was good humoured and brave to the end, always ringing to give instructions and advice. He was only 34 and it so sad that all the best ones are taken early.

His funeral took place at Grenoside Crematorium on Friday 20<sup>th</sup> February and was attended by some 500 people

All our thoughts go out to his devastated family and friends
