Your Club Needs You!

Without the assistance of volunteers, special events, such as the presentation evening, parish council gala and bonfire, would not be the success they are. However, it is frequently the same people attending, normally the manager and/or assistant. It has been suggested that each section has one named representative to assist in these events, thus relieving the pressure on people who have many other duties to undertake. If you could be that person, then make yourself known to the team manager!
