Social Night Success

Wow, what a night March 12th turned out to be, the Phoenix club was packed to the rafters the atmosphere was electric, the drinks were flowing, the group were absolutely fantastic. Complete Madness entertained the crowd beyond their wildest expectations, what value for money.

It was pleasing to see some of the younger sections in attendance as this is where social bonding takes place and where you get to know each other away from the football field and in a relaxed environment, just to think the kids could be playing together for the next ten years!

In October we are willing to organize a Ladies evening but we want to know what you Ladies would like as entertainment, come on let us know and we will arrange, we are indebted to your commitment to BWJFC and we would like to organize a great evening just for your enjoyment, please contact Glynn Perry or your section manager with your ideas.

The SPORTING DINNER has now been arranged for November 4th 2011 at the Consort Suite, what a lineup we have for you this year, our special guest is PAUL MERSON, purported to be one of the best dinner speakers on the circuit, JIMMY CARROL as the comedian and Sky Sports own John Gwynne as our MC for the evening, can you get a better evening's entertainment, Great Venue, Great Food and all for just £35 per person. Tickets on sale soon, contact your manager or our club treasurer to book your tickets.

RESPECT

Remember that as a member of BWJFC you need to ensure that you uphold the clubs respect campaign policy at all times when representing BWJFC at either a match, a gala or even at training;

On match day the barriers around the field of play are there for the protection of the players and officials, no parents or spectators are allowed in front of these barriers under any circumstances. The only people allowed are the team managers, it has been brought to our attention that some people are crossing these barriers; we remind you that this is in breach of BWJFC policy and will not be tolerated by the club.

If a representative from the local FA or indeed a person in attendance decides to report any such incident then the club will have to take action, please ensure it is not you.

PHOENIX

The Phoenix is a thriving sports venue with much more to offer than being the current base of BWJFC, being a member of BWJFC automatically gives you access to the bar areas and subsidized prices, it also gives you the opportunity to book the function rooms, if you are interested in hiring the room we have a facility at bookings@bwjfc.com where you can enquire if the date you require is free, we enjoy an excellent room rate negotiated for all our members.

The Phoenix has many other sporting sections including but not restricted to; Golf, Cricket, Squash, Fishing and many more where you could become an associate member and enjoy the facilities available, please let us know if you are interested.

The junior golf academy has just started and continues on Wednesday evenings throughout the summer, all age groups are catered for with excellent coaching available for both boys and girls come along and enjoy.

Summer Gala

Our Summer gala will
take place on
Sat 18th June
Boys 7, 9, 11, 13, 15
Girls 10, 13
Sun 19th June
Boys 8, 10, 12, 14, 16
Girls 11, 15

Did You Know

Recent past BWJFC players who have gone on to greater things;

Billy Sharp, represented BWJFC and has gone on to play for, Scunthorpe, Sheffield United and Doncaster Rovers,

Rory Mcardle, represented BWJFC and has gone on to play for, Sheffield Wednesday, Rochdale (scoring at Wembley) Aberdeen and Northern Ireland, Rory is BWJFC first player to represent his country in an International

Is this down to our superb level two coaching staff at BWJFC?

Finance

March 6th was the last day for subscriptions, hopefully everyone should be up to date, it is sad to note that according to local press releases that a couple of well founded junior football clubs are in financial difficulty and we sincerely hope that they survive, we cannot allow this to happen to this great club, but we need you all to be on the ball with your last subscriptions, BWJFC is in operation for twelve months and not just the football season, we can only fulfill our financial obligations if we are financially stable.

Phenomenal Service

To run a team from start to finish is testament to commitment, dedication and a lot of understanding coupled with thick skin, not many managers can lay claim to this feat. One such manager is Martin Radford the manager of our current under 16's who is to hang up his managerial hat at the end of this season having been their manager since they started at under 7's, Martin we salute you and we wish you well for the future, hopefully some of his players will play in our under 18's next year and continue to enjoy their football with BWJFC.
